For manufacturing pet bottles, we only use ASB Nissei single stage machines and ASB Japan Molds. For making HDPE bottles we use high production automatic defletching and leakage check machines. Using these technologies, makes us ahead of our competitors in terms of quality.

**Bharat Propack Pvt. Ltd.** was started by our Director **Mr. Anil Kansal** having rich experience of 34 years in the same domain. With sister concern firms SS Tins Pvt. Ltd., New Delhi and Asha Enterprises, Samba J&K, we are supplying HDPE and PET bottles to almost all multinational agrochemical companies. With production capacity of over 1.5 lakh bottles per day, we deliver bulk orders on time. We have 3 manufacturing plants from which we occupy market of Gujarat, J&K, Haryana, Punjab, H.P, Uttarakhand, U.P, M.P, Bihar, West Bengal and Maharashtra.

Apart from the listed products in this catalogue, we have many other shapes and designs which are on our **website : [bharatpropack.com](http://bharatpropack.com)**
